What is an Amazing Readers Discovery Day?

Final chapter of the Amazing Readers' project.

A day where students can share their perceptions and thoughts about their favourite book or the text they have chosen to present to in front of the class.

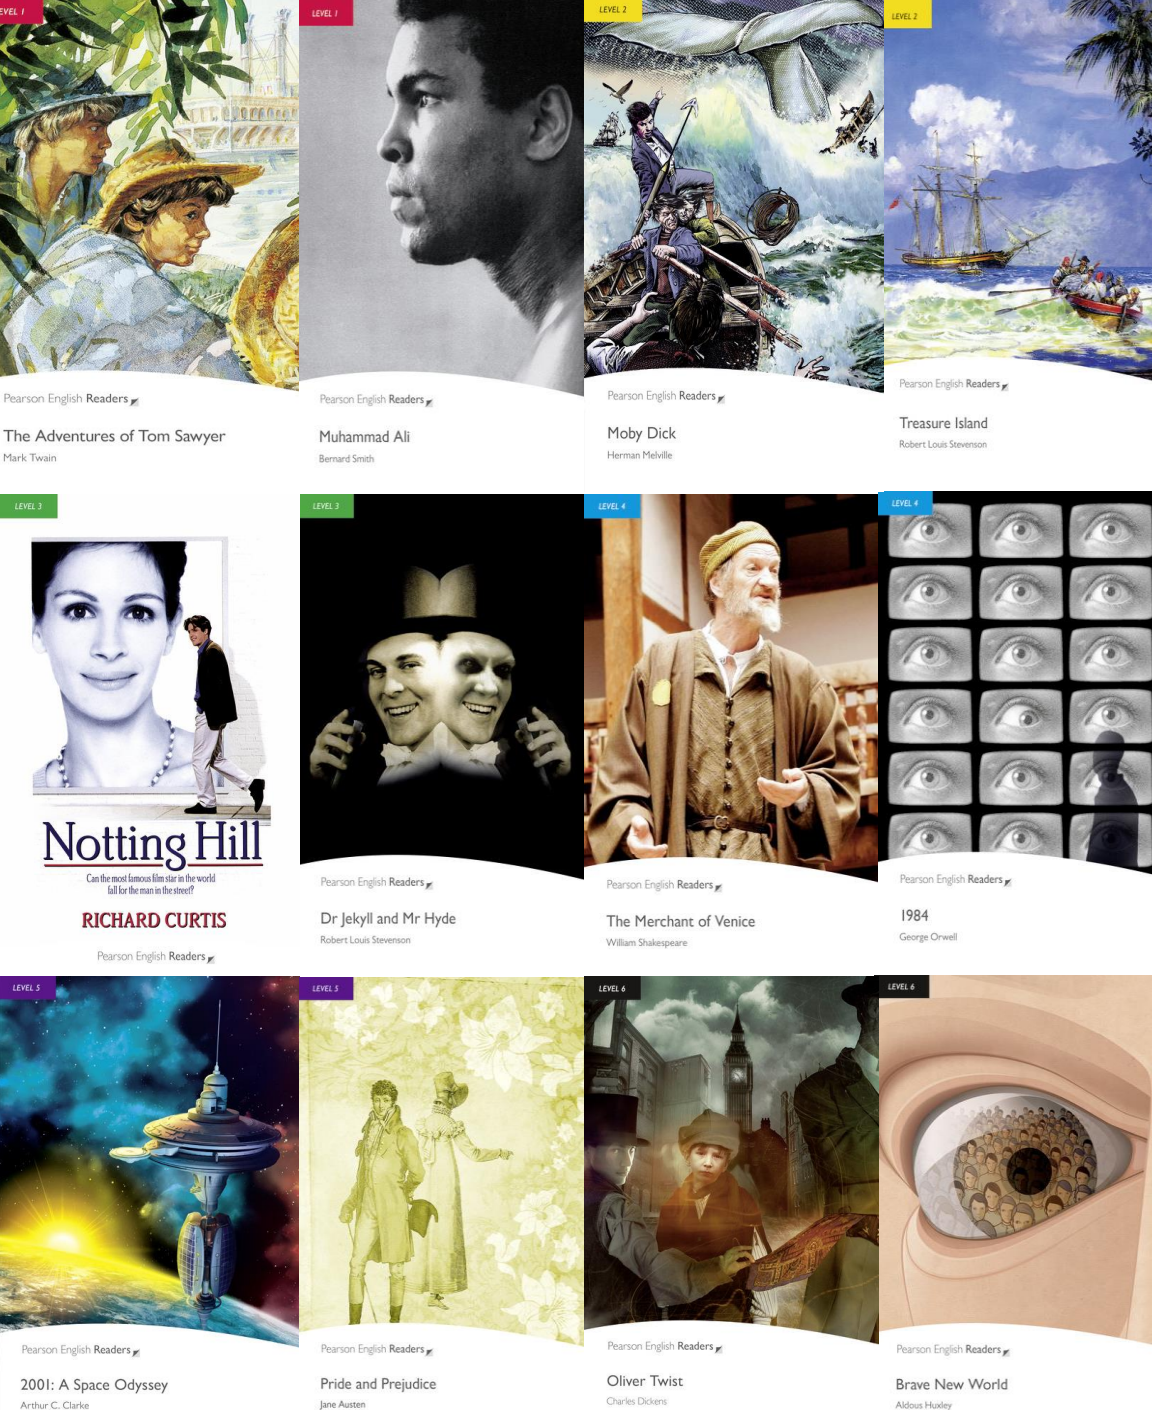

The materials

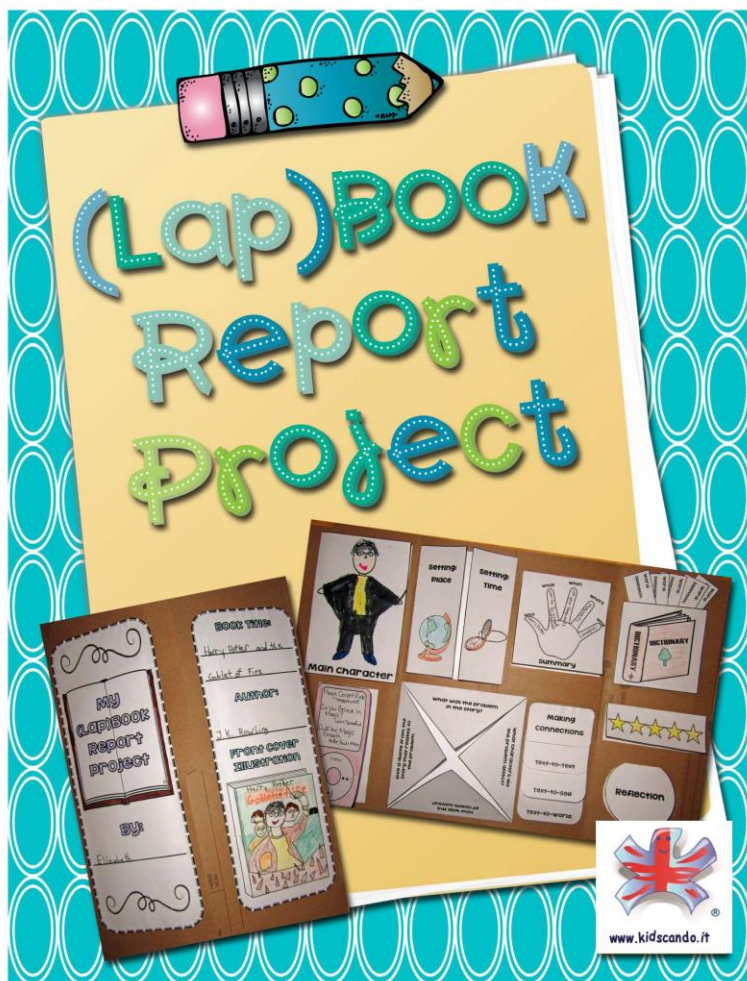

Students will be able to express their creativity and choose from a variety of traditional and innovative tools, such as posters, lapbooks and infographics, music, videos and other media.

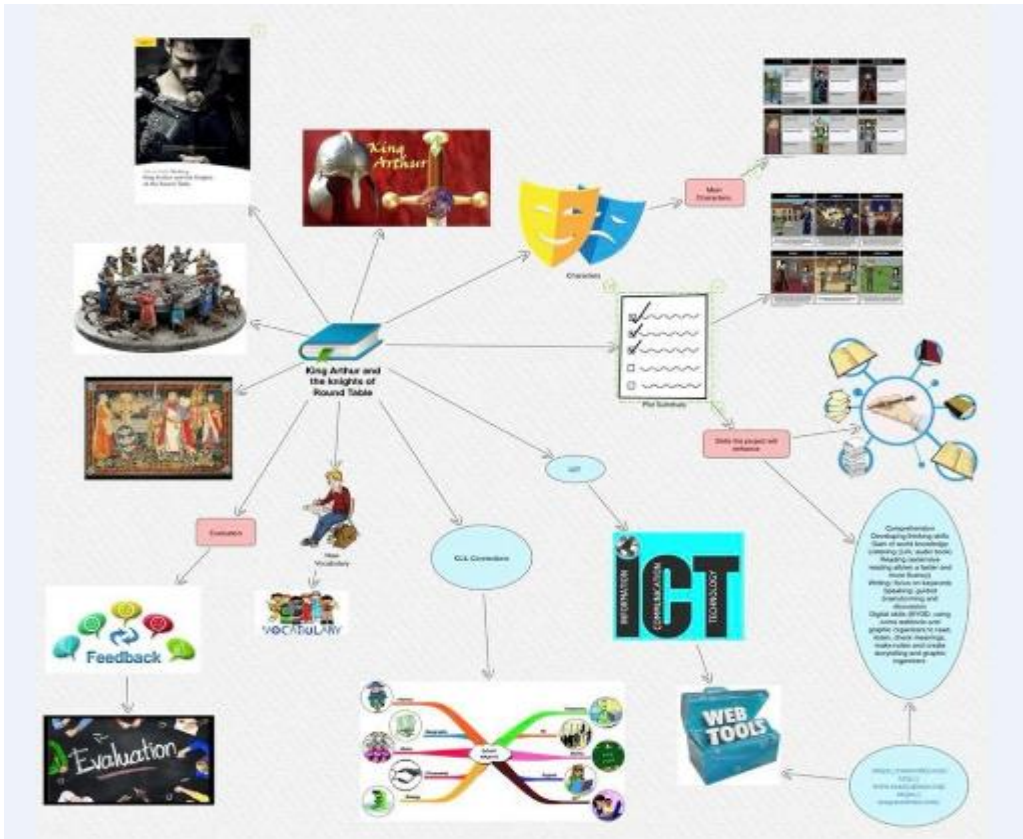

Topics for the Discovery Days

- CLIL Connections
- Global Issues
- Cultural Heritage

Mind Map (*King Arthur*) EVO CLIL 2018

King Arthur and the Knights of the Round Table

The presentation

Individually or in groups, young learners will set up their own presentation to give in class or in presence of their families, supported by the materials they have worked on.

This way of working will help the students feel more at ease speaking in front of an audience.

Students will also plan a programme for the event, invitations and refreshments.

Creative and original responses to reading

The [Discovery Day](#) is meant not only to make students more passionate about reading in English, but also to allow them to express their creativity through their materials and presentations.

This will make students feeling more confident about their capabilities.
